MEMORANDUM FOR:

STAT

FROM: Walter Elder,
Executive Secretary, NFIB/NFIC

SUBJECT: Revision of DCI Directives

1. When can I expect your comments on DCID 2/5? I take it that the future of the EIC (DCID 3/1) remains in limbo. I need your argumentation for rescinding NSCID 2 and DCID 2/1 on Overt Collection. What about DCID 1/9?

2. It is still possible that we'll need a directive on services of common concern, but it may be an NSCID, not a DCID.

3. It's time to press on.

Walter Elder
